Hey there! So sorry I've been logged into my personal messenger handling family things - yes they were shipped out Monday when i get home tonight i can send labels over 😊

Thx u. Was it ups, usps or fedex?

Emily

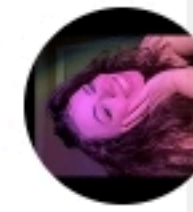

USPS 😊

Strange my usps isn't showing anything coming soon from the email I get daily. Please send tracking info tonight. Thxs

Emily

Of course - i ship through staples - i don't go through the carriers drop off location only due to the fact they don't give me tracking receipts - so when i drop off at staples it takes a few days to pick up- and tracking to be available

U said u shipped it Monday, look at thread. Someone is lying.

Now ur shipping today after I forced the issue. This is very unprofessional. Please just zelle me the money back before noon.

I won't post any fraud seo stuff if I get the money back by noon.
